Bilateral Meetings

- Thursday (1:30pm - 6:00pm)
- Friday (9:00am - 12:00pm)
- Friday (12:00pm - 4:00pm)

Description

We are home to over 100 technology companies and the world-renowned Daresbury Laboratory. We provide biomedical companies access to high quality labs, offices and a range of analytical and prototyping equipment. We have developed a highly collaborative business and innovation community that enables companies to increase sales by an average of 30%/year.
