Description

New Life Healthcare is one of the fastest growing recruitment companies in the UK healthcare and social care sector. We specialise in supplying Nurses, care assistants and social care workers to Public and Private sector organisations. We recruit healthcare professionals from across all specialities by adopting flexible recruitment programmes, tailored to fit the individual needs of each client. We are committed to long term relationships with our clients and we don't compromise on our commitment to provide support to our candidates who choose to pursue their dreams in the United Kingdom (UK). Support As a team of multilingual recruiters we are able to provide a wide spread candidate network of highly skilled people seeking employment and opportunity. Our network comprises of the following countries: Romania, Spain, Italy, India and Bulgaria. You will always be guaranteed honest, creative advice and a solution based consultative approach to our service delivery. We aim to offer a fresh and creative approach to our recruitment partnerships whilst upholding our own values of equality, diversity and integrity. How our aims affect you? Personalised We treat everyone as individuals, each with different traits, personalities and strengths. We will focus on those unique aspects of each potential employee to fulfil your business needs. Approach Our approach is through adopting a collaborative approach to development discussions. The focus is on the belief that we become part of your support team and are fully invested in the success of your employees. Solutions Led Approach Naturally, there may be challenges, at times, to achieve those goals. We remain focussed on solutions to overcome barriers, creating the inspiration and inner motivation to drive towards success. Results Focused The entire solution is results driven and designed to create a positive impact on your business. Our eye is always on the objectives of your organisation. New Employees We hold the mentality that each person being recruited is a key member of your business and each and every employee is essential to the success of the organisation.
