- Friday (12:00pm - 4:00pm)

Description

Scope International (UK) Ltd is a Manchester-based full-service clinical research organisation. Drawing on our parent company SCOPE International AG's 15 year history of running clinical studies across Europe and USA, our mission is to support companies to bring their product to market safely. Over the years this has include product registration for drugs and drug device combinations in women's health, asthma, epilepsy, pain and anti-infectives.
