Bilateral Meetings

- Thursday (1:30pm - 6:00pm)
- Friday (9:00am - 12:00pm)
- Friday (12:00pm - 4:00pm)

Description

Clinic development is a development and manufacturing company in a medical sector. Main existing product nowadays is Mobile Radiographic Table - XR - ONE. Modern and aesthetic table for medical examinations with the use of X-Ray technology. It is light, easy to clean and easy to use. It stands out with its high-quality aesthetics and modern design. XR - ONE has a possibility of positioning the patient on different heights thanks to a set of electric actuators. It can be equipped with hand or leg controller. Additional advantage of this table is the fact that it is equipped with a central brake with integrated locks accessible from each side of the table.
