

Sheila Sadeghi

Associate Prof

University of Torino

<http://www.unito.it>

Bilateral Meetings

- Thursday (1:30pm - 6:00pm)
- Friday (9:00am - 12:00pm)

Description

University of Torino was founded in 1404 and is one of the oldest universities in Europe. It consists of 27 departments covering all disciplines with the exception of engineering and architecture. Previously it took part in more than 110 EU funded research projects under FP7, acting as coordinator in over a third of them.

The department of Life Sciences & Systems Biology has 60 academic staff and is involved in both UG and PG teaching and training of around 2,000 students per year.

Organization Type

University
